School Educational Trip

Pasir Ris Kid's Kampong has evolved from the day it started to now, an Edutainment Centre; where we offer specially catered programme to meet the different objectives of pre-schools and primary schools. We also keep abreast of the latest initiatives of Ministry of Education and move in line with them.

Children's Day Celebration

Children's Day is the most important annual event in Kid's Kampong. On this day, we line up a fantastic program with exciting and interesting activities, coupled with fabulous goodies for all children who want to join in the fun at a very special price. Please refer to our website for this exciting programme highlights on this special day.

School Holiday's Enrichment Programme

During the school holidays, enrichment programmes are being conducted by Current Primary School Teachers. These courses will:-

increase your child's interest in learning,

satisfy your child's inquiry mind,

stimulate your child's thinking skills and

bring out the curiosity and creativity in your child
